#2 Veterans Day Tournament

Saturday November 11th 12:00 PM.

Formerly known as the Holiday Tournament

The most unique 3-person team event ... EVER! Where your hot bowlers carry the team and your cold bowlers get "knocked out"!

Games 1, 2, and 3

All teams bowl 3 games of qualifying. After 3 games, the low-series bowler on your team is "knocked out"

Game 4

The remaining two bowlers will bowl another game with their average two scores being "knocked out" bowler's score. This three game total is added to the pinfall carried over from qualifying, creating a four game series total. Of the remaining two bowlers, the player with the lowest four game score is "knocked out"

Game 5

Each final bowler will bowl one game with their score multiplied by three to produce the final team game score, which is added to the four game team total to produce a five game team series total (example: 250 game is worth 750 team game).

Finals

The field will be cut to the top four teams based on the five team game total for a two game alternate shot match bracket finals with all three team members participating. Seeding will be 1 v 4 and 2 v 3 - winners move on to the championship, losers are eliminated.
