### Sponsorships

### Eligibility

Bowlers shall use their highest book average from the 2017-18 season with a minimum of 21 games reported. If no average from '17-'18, bowlers shall use this year's average. Should an adult not have a certified USBC league average, another verifiable average source may be presented. Bowlers without verifiable averages can be assigned an average at the final determination of the Tournament Director. Tournament Director reserves the right to adjust any entering averages prior to the start of the tournament. All bowling will be handicapped at the difference between team averages for team points, and individual averages for individual points

### Format

All bowling is match play with points determining the finalists and champion - 2 for each individual head-to-head match, plus 1 for a team total = 7 points are up for grabs each game (pins will be used to break ties in points). The team on the left lane sets their lineup first.

**Game 1** - You will draw for a lane position in game #1. Whoever shows up on the opposite lane from you is your opponent for that game. **Games 2-5** - Teams are sorted by points to determine standings. Every game moving forward is a position round and the team in first place draws for a lane position and all other teams fall in line based on that random draw. **Finals** - The top 4 teams will advance to the playoff round and bowl a single team game with the team earning the most points moving on to the Championship round. The Team seeded 1st will get to choose their opponent of the other qualifying teams. The team seeded 2nd will choose their opponent of the remaining 2 teams and the 2 teams left will bowl each other.

### Prize List

All prize fees collected will be returned 100% and paid out in a 1:4 ratio. The total prize list of \$2,274 based on a full field of 16 teams and assuming the typical donation from the ball raffle, the list is as follows: 1st - \$910, 2nd - \$682, 3rd - \$454, 4th - \$227

### Tournament Director

All disputes are to be forwarded to the Tournament Director. Every effort will be made to make decisions that are fair for all parties involved. All decisions made thereafter are final unless an appeal is made in accordance with USBC Rule 329.
