A doubles tournament on Super Bowl Sunday Morning, to be done in time to allow you to get to your Super Bowl party that night! Full details on back of flyer.

How the tournament works:

Qualifying Round 1

Three (3) standard games moving pairs after each game. Every team returns for Round 2 following a short break.

Qualifying Round 2

Bowl four (4) alternate-frame Baker games switching lanes on the pair after two games

Bowler 1 will begin games **1** and **3**, Bowler 2 will begin games **2** and **4**.

After Round 2, scores will be added together including total pin fall plus handicap pins to determine the double-stepladder finalists

Finals Round 3—Double-Stepladder Bracket

The top 8 teams will advance to the Double-Stepladder Bracket finals and bowl head-to-head two ALTERNATE SHOT games with handicap determining which team moves on.

Alternate Shot = Each bowler takes only one shot at a time regardless of what pin fall was achieved. Example: Bowler A rolls a 7 in frame 1, Bowler B must make the spare attempt, then Bowler A starts frame 2. If Bowler A strikes in frame 2, Bowler B starts frame 3. Players will always alternate shots in the finals.
