SUPER BOWL DOUBLES TOURNAMENT

Sunday, February 8th 9:00 AM

A doubles tournament on Super Bowl Sunday morning, to be done in time to all you to get to your Super Bowl party that night!

HOW THE TOURNAMENT WORKS:

QUALIFYING ROUND 1

Three standard games moving pairs after each game. EVERY team returns for round 2 following a short break.

QUALIFYING ROUND 2

Bowl four alternate-frame baker games switching lanes on the pair after two games. Bowler 1 will begin games 1 and 3. Bowler 2 will begin games 2 and 4. After round 2, scores will be added together including total pin fall plus handicap pins to determine the double-stepladder finalists.

FINALS ROUND 3 - DOUBLE STEPLADDER BRACKET

The top 8 teams will advance to the double stepladder bracket finals and bowl head-to-head two ALTERNATE SHOT games with handicap determining which teams move on. Alternate shot = Each bowler takes only one shot at a time regardless of what pin fall was achieved. Example: Bowler A rolls a 7 in frame 1, bowler B must make the spare attempt, then bowler A starts frame 2. If bowler A strikes in frame 2, bowler B starts frame 3. Players will always alternate shots in the finals.
